

## UNIFIED JUDICIAL SYSTEM

Policy 209

November 29, 2000

### **FINANCIAL OPERATIONS**

It is the intent of the judiciary to provide uniform and efficient financial operations including budgeting, accounting, cash management, and internal controls for all judicial offices.

In consultation with the State Court Administrator, the Director of Finance shall develop written policies and procedures to provide for uniform and efficient financial operations. These policies and procedures shall be followed by all judicial personnel.
